EXCLUSIVE RIGHT TO SELL CONTRACT**

1. In consideration of the services to be performed by _____, ("Broker"), and the commissions to be paid by _____, ("Seller"), the parties agree the Broker shall have the exclusive right to market and sell Seller's property upon the following terms and conditions:
 Property Address: _____
 City: _____, Illinois Zip: _____
 Marketing Price: \$ _____
 Marketing Period: From _____, 20__ through 11:59 p.m. on _____, 20__.

2. If during the term of this Contract Broker obtains an offer to purchase the property from a ready, willing, and able Buyer at the marketing price, or if Seller enters into a contract for the sale or exchange of the property at any price and upon any terms to which Seller consents, Seller shall be obligated to pay Broker a commission of _____ percent (____%) of the total purchase price of the sale or exchange. The full commission is to be paid at closing, which in the case of a sale on contract for deed shall be at the time Buyer and Seller execute the initial contract or agreement for deed.

3. Seller agrees that such a commission shall be paid if the property is sold or exchanged by Seller within a protection period of _____ (____) days following the term of this Contract or any extensions thereof to anyone to whom the property was presented during the term of this Contract. However, this provision shall not apply if Seller has entered into a valid, written listing agreement with another licensed real estate broker during the protection period.

4. Broker designates _____, ("Seller's Designated Agent"), a sales associate(s) affiliated with Broker as the only legal agent(s) of the Seller. Broker reserves the right to name additional designated agents when in Broker's discretion it is necessary. If additional designated agents are named, Seller shall be informed in writing within a reasonable time. Seller acknowledges that Seller's Designated Agent may from time to time have another sales associate, who is not an agent of Seller, set an open house of Seller's property or provide similar support in the marketing of Seller's property. Seller understands and agrees that this agreement is a contract for Broker to market Seller's property and that Seller's Designated Agent(s) is (are) the only legal agent(s) of Seller. 6. In the event a purchase contract is entered into and purchaser defaults without fault on the Seller's part, Broker will waive the commission, and this agreement shall be continued from the date of default through the date provided in paragraph 1. Should Seller default on any contract for the purchase or exchange of the property, any commission owed under this contract shall become payable immediately.
7. When a contract to purchase is entered into for the purchase of Seller's property, all earnest money shall be deposited with Seller's Broker. Broker will hold any such earnest money in a special, non-interest bearing escrow account on behalf of the Buyer and Seller. Once the purchase goes to closing, the earnest money will be disbursed according to the terms of the contract to purchase.
 - (a) If the transaction fails to close due to fault of the Seller, the earnest money shall be returned to the Buyer.
 - (b) **WHERE EARNEST MONEY IS FORFEITED BY DEFAULT OF THE BUYER, SUCH EARNEST MONEY SHALL FIRST BE APPLIED TO THE PAYMENT OF EXPENSES INCURRED FOR THE SELLER BY HIS BROKER, AND THE BALANCE, IF ANY, SHALL BE DIVIDED EQUALLY BETWEEN SELLER AND BROKER.**
8. Seller agrees that for the purpose of marketing Seller's property, Broker shall place Seller's property in the Multiple Listing Service in which Broker is a member.
9. Seller acknowledges that they have been informed of the responsibilities imposed upon a Seller under the Residential Real Property Disclosure Act. Seller agrees to comply with the requirements of this Act to the best of Seller's ability and to not knowingly give any false or inaccurate information regarding the disclosures required by that Act.
10. Seller has been informed that potential Buyers may elect to employ the services of a licensed real estate broker or sales associate as their own agent (Buyer's agent).
11. Broker is authorized to allow the property to be shown to prospective Buyers represented by Buyer's agents, and Broker, in its sole discretion, may pay a part of the above commission to Buyer's agent or other cooperating agents. Broker is authorized in its sole discretion to determine with which brokers it will cooperate, and the amount of compensation that it will offer cooperating brokers in the sale of Seller's property. Seller acknowledges that the compensation offered to such cooperating brokers may vary from broker to broker.
12. Seller understands that Broker and/or Designated Agent may have previously represented a Buyer who is interested in your property. During that representation, Broker and/or Designated Agent may have learned material information about the Buyer that is considered confidential. Under the law, neither Broker nor Designated Agent may disclose any such confidential information to you even though the Broker and Designated Agent now represent you as a Seller.
13. Seller understands and agrees that other sales associates affiliated with Broker, other than Seller's Designated Agent(s), may represent the actual or prospective Buyer of Seller's property. Further, Seller understands and agrees that if the property is sold through the efforts of a sales associate affiliated with Broker who represents the Buyer, the other sales associate affiliated with Broker will be acting as a Buyer's Designated Agent.
14. Seller agrees to immediately refer to Seller's Designated Agent all prospective purchasers or brokers who contact Seller for any reason and to provide Seller's Designated Agent with their names and addresses.
15. Broker and Seller's Designated Agent are authorized in their sole discretion, to place a for sale sign on the property, if permitted by law, to remove all other such signs, to place a lockbox on the property, to have access to the property at all reasonable times for the purpose of showing it to prospective purchasers, to cooperate with other brokers, to use pictures of the property for marketing purposes, and to market the property on the internet.
16. Seller understands that the information which Seller provides to Seller's Designated Agent as listing information will be used to advertise Seller's property to the public, and it is essential that this information be accurate. **SELLER UNDERSTANDS THAT THEY HAVE AN OBLIGATION TO PROVIDE ACCURATE, TRUTHFUL INFORMATION TO BE PUT IN THE MLS INPUT SHEET AND HEREBY PROMISES TO FULFILL THIS OBLIGATION.** Seller understands that Seller may be held responsible by a Buyer for any latent or hidden, undisclosed defects in the property which are known to Seller but which are not disclosed to the Buyer.
17. Seller agrees to save and hold Broker and Seller's Designated Agent harmless from all claims, disputes, litigation, judgments, and costs (including reasonable attorney's fees) arising from Seller's breach of this agreement, from any incorrect information or misrepresentation supplied by Seller or from any material facts, including latent defects, that are known to Seller that Seller fails to disclose.
18. This contract shall be binding upon and inure to the benefit of the heirs, administrators, successors, and assigns of the parties hereto. This contract can only be amended by a writing signed by the parties.
